## TRAINING COURSE: EUROPRESS EP + EQ

Dear distribution partner,

we would like to invite you to a two-day training course for the new EUROPRESS series EP and EQ, which we offer for the English-speaking service technicians. In this course, the participants learn everything about the operation and functionality of the EUROPRESS.

This training will last two days at our company headquarters in Bad Dürkheim and includes the operation of the digital control. Mechanical, pneumatic and electrical contents are clearly illustrated using theoretical and practical examples.

**The training course will be held on:**  
Thursday, 12. May 2022 / starting at 09:00 – 17:00  
and Friday, 13. May 2022 / starting at 09:00 – 15:00

We are pleased to welcome you in our company. Please return the attached form and let us know by e-mail or fax by February 18, 2022 whether and with how many people you will be taking part.

We are looking forward to hearing from you.

Best regards
